## **Background**

The debtor is a corporation founded on August 1, 2003, by Justino Petaccio, Jr. For many years, the debtor experienced great success by offering paper products and other related supplies to restaurants in Southeastern Pennsylvania, South Jersey, and Delaware.

When Justino Jr. died suddenly in 2021, Justino Petaccio, Sr. assumed ownership of the debtor. When Justino Sr. died in 2023, John Petaccio took ownership of the debtor. John quickly discovered that several employees were taking advantage of the debtor to fraudulently enrich themselves. On top of that, the debtor's warehouse roof partially collapsed in September 2023 following a bad storm. As a result of the mismanagement and the storm damage, the debtor was unable to pay its bills when due and filed this bankruptcy case.

The debtor filed this chapter 11 case on October 27, 2023, and immediately began preparing this plan by requesting that the court issue an order setting the last day to file proofs of claim. The meeting of creditors and status conference were held and concluded in due time. On application of the debtor, the court approved employment of the debtor's attorney, accountant, public adjuster, and realtor. The debtor has filed all required operating reports.

The debtor's primary assets are two pieces of real property in Philadelphia, two vehicles, proceeds of an insurance claim for storm damage, and uncollected accounts receivable.

Through this plan, the debtor intends to liquidate all assets to pay creditors. The debtor has been working to either sell leftover inventory or return it to creditors for appropriate credit. Through its attorney, the debtor has been collecting on delinquent accounts receivable and investigating potentially reversable fraudulent transactions.

## **Article 1 Summary**

This plan of liquidation (the plan) under subchapter V of chapter 11, title 11 of the U.S. Code proposes to pay creditors of Tri-State Paper, Inc. (the debtor) from the sale of assets, recovery of accounts receivable, and insurance proceeds.

This plan provides for one class of priority claims, one class of secured claims, one class of non-priority unsecured claims, and one class of equity security holders.

Non-priority unsecured creditors holding allowed claims will receive distributions, which the debtor has valued at approximately 100 cents on the dollar. This plan also provides for the payment of administrative and priority claims. All creditors and equity security holders should refer to this plan for information regarding the precise treatment of their claim.

**Your rights may be affected. You should read these papers carefully and discuss them with your attorney if you have one. If you do not have an attorney, you may wish to consult one.**

## **Article 2 Classification of Claims and Interests**

### **2.1 Class 1**

Class 1 is comprised of priority claims, except administrative expense claims under 11 U.S.C. § 507(a)(2) and priority tax claims under 11 U.S.C. § 507(a)(8)).

### **2.2 Class 2**

Class 2 is comprised of claims secured by the debtor's real and personal property to the extent allowed as secured claims under 11 U.S.C. § 506 and is divided into subclasses for each unique secured claim.

### **2.3 Class 3**

Class 3 is comprised of non-priority unsecured claims allowed under 11 U.S.C. § 502, and all deficiency claims of Class 2 claimholders.

### **2.4 Class 4**

Class 4 is comprised of equity interests of the debtor.

### **Article 3 Treatment of Administrative Expense Claims, Priority Tax Claims, and Court Fees**

#### **3.1 Unclassified claims**

Administrative expense claims and priority tax claims are not in classes pursuant to 11 U.S.C. § 1123(a)(1). Claimholders of unclassified claims are not entitled to vote on this plan.

#### **3.2 Administrative expense claims**

Each holder of an administrative expense claim allowed under 11 U.S.C. § 503 will be as indicated in Exhibit B. Claimholders of administrative expense claims are not entitled to vote on this plan.

#### **3.3 Priority tax claims**

Each holder of a priority tax claim will be paid as indicated in Exhibit B. Claimholders of priority tax claims are not entitled to vote on this plan.

#### **3.4 Statutory fees**

All fees required to be paid under 28 U.S.C. § 1930 that are owed on or before the effective date of this plan have been paid or will be paid on the effective date.

### **Article 4 Confirmation, Voting, and Claim Treatment**

#### **4.1 Confirmation of plan**

The debtor is seeking confirmation of this plan under 11 U.S.C. § 1146(a). Confirmation under Section 1146(a) requires that creditors vote to approve the plan under the rules outlined in Article 4.2.

If confirmation under Section 1146(a) is not successful, the debtor will seek confirmation under 11 U.S.C. § 1146(b). To confirm the plan under Section 1146(b), the court must find that all creditors and equity interest holders who do not accept the plan will receive at least as much under the plan as such claim and equity interest holders would receive in a chapter 7 liquidation. A liquidation analysis is attached to the plan as Exhibit A.

#### 4.2 Voting rights and plan acceptance

Only creditors in classes that are impaired may vote on whether to accept or reject the plan, and only creditors holding allowed claims may vote. A class accepts the plan when more than one-half (1/2) in number and at least two-thirds (2/3) in dollar amount of the allowed claims that actually vote, vote in favor of the plan. A class that is not impaired is deemed to accept the plan.

#### 4.3 Treatment of claims and interests

Claims and interests will be treated as indicated in Exhibit B.

### **Article 5 Allowance and Disallowance of Claims**

#### 5.1 Disputed claims

A disputed claim is a claim that has not been allowed or disallowed by a final non-appealable order, and as to which either: (i) a proof of claim has been filed or deemed filed, and the debtor or another party in interest has filed an objection; or (ii) no proof of claim has been filed, and the debtor has scheduled such claim as disputed, contingent, or unliquidated.

A claim is considered disputed if it has not been allowed or disallowed by a final non-appealable order and:

- (i) a proof of claim is filed or deemed filed and the debtor or another party in interest has objected to it, or
- (ii) a proof of claim is not filed and the debtor scheduled the claim as disputed, contingent, or unliquidated.

#### 5.2 Distribution on disputed claims

No distribution will be made on account of a disputed claim unless the claim is allowed by a final non-appealable order.

#### 5.3 Settlement of disputed claims

The debtor will have the power and authority to settle and compromise a disputed claim with court approval and compliance with Fed. R. Bankr. P. 9019.

## Article 6 Provisions for Executory Contracts and Unexpired Leases

### 6.1 Treatment of executory contracts and unexpired leases

- (a) The debtor does not assume or assign any executory contracts or unexpired leases under this plan.
- (b) Except for executory contracts and unexpired leases that have been assumed, and if applicable assigned, before the effective date or under section 6.01(a) of this plan, or that are the subject of a pending motion to assume, and if applicable assign, the debtor will be conclusively deemed to have rejected all executory contracts and unexpired leases as of the effective date. A proof of a claim arising from the rejection of an executory contract or unexpired lease under this section must be filed no later than twenty-eight days after the date of the order confirming this plan.

Party	Description of Contract	Election
Penske Truck Leasing Co., L.P.	Truck Rental	Reject Lease

## Article 7 Means for Implementation of the Plan

The plan will be funded from the sale or liquidation of assets, insurance proceeds, and recoveries from claims against third parties. On or before the effective date, the debtor will transfer the funds held by the court to the Trustee for distribution. Any additional amounts needed to fund the plan after the initial distribution will come from the debtor's ongoing sale or liquidation of assets, insurance recoveries, and recoveries from other claims to be paid pro rata as set forth below.

Starting on the effective date and then monthly at the end of each month the debtor will pay within fifteen (15) days the aggregate disposable income to the Subchapter V Trustee for disbursement consistent with this plan. In connection with each monthly disbursement date, the debtor shall deliver to the Subchapter V Trustee (collectively, the "post-petition obligations"):

- (i) a report setting forth the calculation of the disposable income distributable to creditors,

- (ii) a copy of the debtor's bank account statements and any other backup reasonably requested by the Subchapter V Trustee to confirm the propriety of the disposable income calculation, and
- (iii) a check payable to "Richard Furtek, Subchapter V Trustee for the Estate of Tri-State Paper, Inc." in the amount of the disposable income.

If the debtor fails to comply any of its post-petition obligations or if Subchapter V Trustee disagrees with the debtor's disposable Income calculation, he and the debtor shall work collaboratively to resolve any such dispute, the failure of which shall give rise to the right of the Subchapter V Trustee to file with the court a notice of dispute with respect to the disposable income calculation and thereby enabling the Subchapter V Trustee or any other party in interest to seek appropriate relief from the court. The Subchapter V Trustee shall have the right to retain from the amounts paid to him by the debtor fees based on the actual hours worked based on our standard hourly rate on account of the time and services devoted by the Subchapter V Trustee to the services required above.

Payments made pursuant to the plan that are unclaimed after six months shall be treated as unclaimed funds and shall include checks and funds represented by the checks which have been returned as undeliverable without a proper forwarding address. Provided that the plan distribution was sent to the claimant's last known address on the claims register, unclaimed funds shall constitute an abandonment of the claim and become the property of the debtor or the entity acquiring the assets of the debtor under the plan (as applicable).

## **Article 8 General Provisions**

#### 8.3 Severability

If any provision in this plan is determined to be unenforceable, the determination will in no way limit or affect the enforceability and operative effect of any other provision of this plan.

The rights and obligations of any entity named or referred to in this plan will be binding upon and will inure to the benefit of the successors or assigns of such entity.

To the extent applicable, the debtor must comply with 11 U.S.C. § 1123(a)(6).

#### 8.11 Modification of plan

The debtor may modify the plan at any time before confirmation of the plan pursuant to 11 U.S.C. § 1193(a). However, the court may require additional items including re-voting on the plan. If the plan is confirmed under 11 U.S.C. § 1191(a), the debtor may also seek to modify the plan at any time after confirmation only if the plan has not been substantially consummated and the court authorizes the proposed modifications after notice and a hearing.

If the plan is confirmed under 11 U.S.C. § 1191(b), the debtor may seek to modify the plan at any time only if: (1) it is within three years of the confirmation date, or such longer time not to exceed five
